Ms. Lisa Lyons
Walker Art Center
Vineland Place
Minneapolis, MN 55403

Dear Ms. Lyons:

Pursuant to your request by telephone I enclose xerox copies of the set of 8 drawingscards of the northern Mississippi River. These cards are interchangeable to form an interlocking panorama. They are identified as covering views of

Wabashaw, Winona, Brownsville, Homer and Redwing in Minnesota;

Trempeleau in Wisconsin; and

Davenport and Lansing, in Iowa.

Also enclosed is a copy of the advertising sheet which we do not own.

The only reference to them which I know is an article by Bertha Heilbron in Minnesota History, Summer 1966 entitled "Edwin Whitefield Settler's Artist". I know of no Mississippi River exhibition which has included them. I believe Chicago Historical and Amon Carter Museum in Fort Worth also have them. They are much sharper then the xerox copies indicate.

The Deputation on the Mississippi, an oil by Henry Lewis is about 12' x 15'. It is different from any of the Das Mississipithal views. You are also welcome to paper money with views of River packets, levee scenes, Mississippi scenes. These are bank notes issued prior to 1865 or scrip issued by steamboat lines, etc. Some have Bingham type views of log rafts. I also have quantities of Minnesota and Wisconsin bank notes with steel engravings of Mississippi River Scenes, Indiana, and views. Some are more artistic than realistic. Others I have are from Illinois, Missouri, Louisiana, etc. These are 3" x 6" average except that some come in sheets of 4 notes. I believe your public would delight in seeing art on Minnesota money.

Let me know your wishes.

Sincerely,

Eric P. Newman

Mr. Eric Newman
6450 Cecil Avenue
St. Louis, Missouri 63105

Dear Mr. Newman:

Many thanks for your offer to lend your Whitefield Drawing Cards, Lewis painting, and a selection of bank notes to our exhibition, THE RIVER: IMAGES OF THE MISSISSIPPI. The exhibition will feature depictions by 19th and 20th century artists. These will include paintings, drawings, prints and sketchbooks. Other aspects of the river will be illustrated in photographs, maps, models, craft objects and documentary material. A catalogue will be published with numerous illustrations and a listing of works.

The exhibition, which will be on view at Walker Art Center from October 2, 1976 to January 9, 1977, will contain important loans from museums and private collections. This will be a major project of the museum and is expected to generate considerable public and press response.

I am enclosing three loan forms listing the works we would like to borrow from you for the exhibition. Please complete the forms, retain the white copy for yourself, and return the yellow copy to me. Upon its receipt, our Assistant to the Registrar, Gwen Bitz, will contact you to make shipping arrangements. Walker Art Center will, of course, assume all costs of shipping and insurance from pickup to return.

Please do not hesitate to contact me should you have any questions about the exhibition.

Sincerely,

Lisa Lyons
